BALEIMORE, May 29.

Steamer Georgiana has arrived from Fortress Monroe. She says a small steamer from Norfolk under a flag of truce has just landed over 100 refugees on the Cumberland, mostly the wives and children of the laborers in the navy yard. They state that there are from 7 to 9000 troops at Norfolk and Portsmouth.

General Beauregard had not arrived at Norfolk. Perfect gloom and terror prevailed the community.
