

☞ Some of our friends have misrepresented or misunderstood our remarks in yesterday's *Atlas*, in relation to Doyle. We did not wish to convey the idea that Doyle was too much of an imbecile or *monomaniac* to be punished for his participation in the late *stampede* among the slaves in this vicinity; but that others must have been engaged in it, who were more capable than he was, of originating and conducting such an enterprise; and that our citizens ought to be on the look out for them.
